WORK EXPERIENCE

Case Management Paraprofessional

Fraser Inc

August 2023 – Present

- Spearheaded the development of automation tools, including PDF templating and report generation, which significantly improved efficiency in internal processes.
- Actively managed and improved in-house IT tools and applications such as Power Apps to streamline workflows.
- Delivered a 20% reduction in time spent on daily manual tasks via automation tools.

Web Developer Intern

Prelease SBC

July 2023 – November 2023

- Led the design and development of Prelease web application.
- Migrated the company's infrastructure from low-code tooling to a robust, scalable codebase.
- Participated in weekly meetings to report on progress and discuss planning and goals
